## Work

## The Saturdays

Baby the harder you work
The further you get with me, with me
I think you can, I think you can

Turn up, prepare and make sure
That you can keep up with me, with me
I think you can, I think you can

But be aware I always get what I deserve Keep your focus, keep your nerve Ready, set, go

Pick up the pace and step on it Rip up the place if you want it Work, work, you know you gotta work, work

I got the goods and I want you Put your boots on, baby get to Work, work, you know you gotta work, work

I tend to get what I want to Are you starting to see, to see? I think you do, I think you do

It's time for you to step up
If you want to be with me, with me
I think you do, I think you do

But don't go slow, that is not the way we play Slowly ain't my kinda game Ready, set, go

Pick up the pace and step on it Rip up the place if you want it Work, work, you know you gotta work, work

I got the goods and I want you Put your boots on, baby get to Work, work, you know you gotta work, work

Well, it's up to you how far we take this Yes it's up to you so take the lead And it's up to you so tell me what I gotta sign Waiting at the finish line, baby ready, set, go

Pick up the pace and step on it Rip up the place if you want it Work, work, you know you gotta work, work

I got the goods and I want you
Put your boots on, baby get to
Work, work, you know you gotta work, work

Pick up the pace and step on it Rip up the place if you want it Work, work, you know you gotta work, work I got the goods and I want you Put your boots on, baby get to Work, work, you know you gotta work, work

Work, work, you know you gotta work, work You know you gotta work, work
