

## Be Yourself

The Saw Doctors

You can lie, about what you make  
You can lie about the risks you take  
Surely you can see what's down the road  
If you can't mess up then you should know

You've got to be yourself  
You can't be anyone else  
If you can't be yourself  
You'll be alone

She can try, to get close  
But there's things  
She'll never know

You've got to be yourself  
You can't be anyone else  
If you can't be yourself  
You'll be alone

You can't see her friends have come and gone  
But the loneliness it lingers on and on and on

You've got to be yourself  
You can't be anyone else  
If you can't be yourself  
You'll be alone
