

# Heading For The Sunshine

The Saw Doctors

I know that things  
Can never be the same  
That's all right, that's all right with me  
I've seen the truth, I've felt the Pain  
I'm heading for the sunshine once Again

Been through some  
Strange time  
Dark times  
I thought they'd never end  
Been through some  
Strange time  
Sad oul' times  
I'm heading for the sunshine again

You've seen me up  
You've seen me down  
You know how far we can go up  
You know sometimes  
Life's not fair  
There's a turn on every road  
Been through some strange times.....

I'm mad for the sunshine  
I'm heading for the sunshine  
Again
