

## Hard Times

### The Scabs

I gave you a hard time, I told you the news  
there's no "I'm sorries" 'cause there ain't no excuse  
the things I've been doin', the things that I say  
the road to ruin between you and me

my reasons for cheating, I don't know what to say  
maybe it's nature, havin' its way  
you know that I love you, but that's easy to say  
you'd make me proud of you if you would stay

I promised you sunshine, I promised you you'd be all mine  
instead of the good times, a killer came and took your heart away

I gave you hard times, baby  
I told the truth and lies

I was silly believing my lies could last  
'cause sooner or later the rumour would spread  
I often wonder how the things would be  
if you hadn't found out the truth about that girl and me

can't promise you sunshine, can't promise you you'll be all mine  
I'll try to be honest, unlike the first time it won't slip my mind

repeat chorus

I look out the window, I watch the street kids grow  
life was so easy when I was that old  
there were no lies and no things to be told  
just lullabies and time to grow old
