

Do You Believe Me

the scary jokes

My internal compass is all askew
I know it's got nothing to do with us
Right? Right?
Never felt so messed up over anyone
I know it's got nothing to do with us
Nothing to do with you
Nothing to do with you

But things will calm down soon
I'll drink up every second I have with you

Do you believe me when I tell you
Your light outshines every person I know?
Do you want to go to the party?
I want to show you off to every person I know
Don't hide yourself
Don't hide yourself from me
Are you coming to my show?
No, you don't have to go

Do you believe me?
