

i'm too shy

the scary jokes

I'm freaking out
I don't know what to talk about
I'm losing my mind, so I hope you're fine
With just sitting around

I wish I knew
What to say to you
I can't cope and this silly hope
Is all I'm hanging onto

I'm too shy
I'm too shy
And I get so down, down, down, down, down
When you're not around, round, round, round, round

For goodness sake
Why does my heart always break
When I see you go, I don't really know
What difference it makes

I'm too shy
I'm too shy
And I get so down, down, down, down, down
When you're not around, round, round, round, round
I get so down, down, down, down, down
I get so down, down, down, down, down
