

the ren and stimpy show

the scary jokes

"Stimpy! I'm so happy! I must go do nice things!"

I like that you like the same cartoons that I do
We have such similar taste in children's media
You know what they say about how art can imitate life
Well, they were right
And our lives are a whole lot like

The Ren and Stimpy show
It's the Ren and Stimpy show
Oh, what do you know, it's a brand new episode
Of the Ren and Stimpy show

Now between you and me
You are Ren and I am definitely Stimpy
I say some silly shit then you call me an idiot
Then we brush our teeth and go to sleep in the same bed

It's the Ren and Stimpy show
It's the Ren and Stimpy show
Oh, what do you know, it's a brand new episode
Of the Ren and Stimpy show

We are the best of friends
Although it seems a little weird that we're together
But you're gonna see, we'll be happy, you and me
Oh so happy, happy, happy, happy, happy, happy, happy, happy
Happy, happy, happy, happy, happy, happy, happy, happy, happy H
appy, happy, happy, happy, happy, happy, happy, happy, happy Ha
ppy, happy, happy, happy, joy, joy

Just like in the Ren and Stimpy show
It's the Ren and Stimpy show
Oh, what do you know, it's a brand new episode
