

Better Than One

The Score

So hold on no matter what
We'll take our bruises and our bumps
But know until kingdom come, you're not alone
And if this world goes up in flames
Just take my hand, don't be afraid
I'll fight for you until my days on Earth are done
'Cause two hearts are better than one

Lay your head in my arms
Can you hear the sound of my heart?
As it stays in time,
Never far behind from you

Lose yourself in our song
Like we're dancing in a room all alone
I will catch your fears
Make them disappear for you, oh

I'll be the light that guides you home when skies are grey
There's nothing I won't do to keep you safe

So hold on no matter what
We'll take our bruises and our bumps
But know until kingdom come, you're not alone
And if this world goes up in flames
Just take my hand, don't be afraid
I'll fight for you until my days on Earth are done
'Cause two hearts are better than one

We'll take on deserts and seas
'Cause we'll always be thicker than thieves
Don't you be afraid
I will ride the waves with you

I wear my heart on my sleeve
And for only you does it beat
Like a marching drum
I am marching on for you, oh

I'll be the light that guides you home when skies are grey
There's nothing I won't do to keep you safe

So hold on no matter what
We'll take our bruises and our bumps
But know until kingdom come, you're not alone
And if this world goes up in flames
Just take my hand, don't be afraid
I'll fight for you until my days on Earth are done
'Cause two hearts are better than one

Na na na na na na na
Na na na na na na na
Na na na na na na na
You're not alone

So hold on no matter what
We'll take our bruises and our bumps

But know until kingdom come, you're not alone
And if this world goes up in flames
Just take my hand, don't be afraid
I'll fight for you until my days on Earth are done
'Cause two hearts are better than one
