

# Can't Stop Me Now

## The Score

I'm a bullet from a gun and my heart is the trigger  
When I was just a kid I would dream I was bigger  
If you wanna make a name better stand and deliver  
'Cause there's a price we pay, every loser and winner

Oh, can't stop me now  
Oh, can't stop me now  
Heavy is the head that wears the crown  
I'm singing, I'm singing  
Oh, can't stop me now

I've climbed so many mountains, each one's another test  
It's hard to breathe when it's just you against your Everest  
They say what doesn't kill you, will only make you stronger  
Guess I can shake the world and take the pain a little longer

I'm not running from, not running from  
Not running from my kryptonite, and  
I'll keep rising up, keep rising up

Oh, can't stop me now  
Oh, can't stop me now  
Heavy is the head that wears the crown  
I'm singing, I'm singing  
Oh, can't stop me now  
Heavy is the head that wears the crown  
I'm singing, I'm singing  
Oh, can't stop me now  
Oh, can't stop me now
