

Down With The Wolves

The Score

Sometimes in my mind I get the feeling I'm the prey
All my inhibitions try to haunt me now
Late at night when all the world is quiet my thoughts stray
But I, I won't go down with the wolves

I won't go down but the wolves keep howling my name
I won't go running from the vultures circling my brain
I won't go down with the wolves, oh oh oh oh oh
I won't go down with the wolves, oh oh oh oh oh
I won't go down with the wolves

Underneath my skin there's something crawling up my spine
Hiding in the shadows, trying to take my life
I can hear their footsteps closing in, is it my time?
No I, I won't go down with the wolves

I won't go down but the wolves keep howling my name
I won't go running from the vultures circling my brain
I won't go down with the wolves, oh oh oh oh oh
I won't go down with the wolves, oh oh oh oh oh
I won't go down with the wolves

Sometimes in my mind
I'm running for my life

I won't go down with the wolves, oh oh oh oh oh
I won't go down with the wolves, oh oh oh oh oh
I won't go down with the wolves, oh oh oh oh oh

Oh oh oh oh oh
I won't go down with the wolves
