

# Head Up

## The Score

Lately I've been feeling so alone  
Can someone give the antidote to me so I can  
Finally understand where I belong  
The world outside to me is like an ocean and I

Can't swim  
I'm losing my grip  
Caught up in the current  
Won't drown in this ship  
I can't swim  
I'm starting to slip  
I'm running out of breath, I'm scared to death

I gotta keep my head up up up up  
Up above the water, up above the water  
Gotta keep my head up up up up  
I'm never going under, never going under  
As long as air's in my lungs  
Blood's in my veins  
I'm not going down this way  
I gotta keep my head up up up up  
Up above the water, up above the water

If I hit the bottom will I break?  
Cause I've been there before a million times but I don't  
Know how much more of this I can take  
I'm at the surface, what is my purpose?  
It's making me nervous, I

Holding on, still holding on  
how'd it get so deep? Yeah
