

Rush

The Score

My brain is a one way train and I'm 'bout to ride it out
Octane running through these veins, burning all my fears down
Today, yeah, the cycle breaks, it's time to change the rules now
Here I go, here I go

Adrenaline, yeah, it's like a drug
The more you taste can't get enough
The more you taste can't get enough
Get enough

Can you feel the... rush?
Taking over all your senses
Can you feel the, rush?
Breaking down all your defenses
Can you feel the... rush?
Racing with no consequences
Can you feel the... rush? Rush! Rush!
Can you feel it?

Insane 'cause I love the way when my pulse races double time
The fast lane never could contain, got my heart beating overdrive
Today, yeah, the cycle breaks, it's time to change the rules now
Here I go, here I go

Adrenaline, yeah, it's like a drug
The more you taste can't get enough
The more you taste can't—
The more you taste can't get...

Can you feel the... rush?
Taking over all your senses
Can you feel the, rush?
Breaking down all your defenses
Can you feel the... rush?
Racing with no consequences
Can you feel the... rush? Rush! Rush!
Can you feel it?

Can you feel it?
