

Do Ya

The Screaming Jets

Do you love, do you love, do you love me?
Do you need, do you need, do you need me?
Do you care, do you care, do you ever care for me?
Do you want, do you want, do you want me?

Don't lie to me, don't lie to me!
If burning me makes you feel better, live it, burn in peace

I'm a fool, I'm a fool, I'm a fool for being fooled
Can't believe, can't believe, that I ever fell for you
You know the chicks have to trade every trick in the book
You don't care about the five long years I took

Don't lie to me, don't lie to me!
If burning me makes you feel better, let me burn in peace

Did you cross, did you cross, double cross yourself?
Gonna want, gonna want, gonna need just a little help
All the chicks have to trade every trick in the book
Don't care about the five long years that you took

Don't lie to me, don't lie to me!
If burning me makes you feel better, let me burn in peace
Lie to me, don't lie for me!
If burning me makes you feel better, let me burn in peace
