

Heaven Help Me

The Screaming Jets

They say there's heaven inside us all, sometimes you just don't know
And that paradise is all around here, but it doesn't seem to show
And they told us about a goal, so I keep on chasing rainbows
And a thousand times the same old lines... pretty girls... I don't know
Shit gets harder to believe in, every passing day

Heaven help me, I can't see clearly
Heaven help me, show me a sign
Heaven help me, clear my illusions
Heaven help me, it's blowing my mind

They told I'm pessimistic, well, how can they say that
Just curious to find the truth, I don't care about the cat
I wouldn't tell you how to live your life, 'cause preaching ain't my style
With pain anyday I fly around, I blast your childish smile
Shit gets harder to believe in, every passing day

Heaven help me, I can't see clearly
Heaven help me, show me a sign
Heaven help me, clear my illusions
Heaven help me, it's blowing my mind

I've got a timebomb in my head, I've got a short fuse like you said

I've got a timebomb in my head, I've got a short fuse like you said

Shit gets harder to believe

Heaven help me, I can't see clearly
Heaven help me, show me a sign
Heaven help me, clear my confusion
Heaven help me
Heaven help me
Heaven help me, 'cause I can't see clearly
Heaven help me, show me a, show me a sign
Heaven help me, and clear my illusions
Heaven help me, it's blowing my mind
