

Crazy World

The Script

Ladies and gentlemen

Mr. Christy Dignam

This song means so much to me [?]

How can I protect you in this crazy world

It's alright, yeah

It's alright

I have fallen down so many times

Don't know why, don't know where

Don't care less it's all the same

I have traveled through so many towns

Don't know why, don't know where

Don't care less it's all the same

Oh c'mon (let me hear ya)

How can I protect you in this crazy world

It's alright, yeah

It's alright

Can ya hear the sound of nothing, nothing?

Nothing's right, nothing's wrong

Don't care less it's all the same

Love is blind, love is real

Don't ya know that love is what you feel

It's alright, yeah it's alright

How can I protect you in this crazy world?

It's alright, yeah

It's alright

And when the talking's over

All the crowd has gone

There's Nothing left I can do

Am I ever gonna get through to you?

It's alright

How can I protect you in this crazy world

It's alright, yeah

It's alright

1, 1, 2, 3, 4

How can I protect you in this crazy world

(How can I protect you when all the crowd have gone)

(Now your party's over, all this world is wrong)

It's alright, yeah

It's alright

How can I protect you in this crazy world?

It's alright, yeah

Thank you!

(Ha ha ha ha)

Ladies and gentleman, my fucking hero, Christy Dignam!
