To your brother, to your sister, to your misses, to your mister. To your friends, to your foes, give the love around and back around it It all comes from the top and it spreads right round Treat a man wrong he's gonna pass it on down To the next in line, who's probably his wife bringing up his kids Now watching mamma cry And they pick it up, cause they learn everything Life has a funny way of going in a ring, End up growing up in trouble with the law Standing in the cuffs that the father once wore Now it seems that every brand new generation Have all been growing up with cracks in the foundation Their trying to fill the holes of a whole damn nation That's lost it's trust (that's lost it's trust) We gotta change before the train leaves the station and realize the Revolution in a revelation it takes blood, sweat, tears, innovation It Starts with us, it starts with us. Yeah, stuffs like, give the love to your brother, Give the love to your sister, Give the love to your misses, Love to your mister Give the love to your friends, Love to your foes, Give the love around and back around it goes (2x) Round it goes, round it goes, round it goes goes Give the love around and back around it goes Oh we're all just folks working in a wheel Spinning all around life's cruel battlefield Draw circles in the sand on a rainy day, Watch it wash away I bet it shows up on a sunny beach a thousand miles away Flutter from a butterfly forms a storm Over half a million people die Oh we don't care because we're all Desensitized We don't realize we're putting all this shit before our children's eyes Now every brand new generation Have all been growing up with cracks in their foundation We're tryna fill a holes of a whole damn nation That's lost it's trust (that lost it's trust) We gotta change before the train leaves the station And realize the revolution in a revelation It takes blood, sweat, tears, innovation It starts with us, it starts with Yeah, stuffs like, give the love to your brother, Give the love to your sister, Give the love to your misses, Love to your mister Give the love to your friends, Love to your foes, Give the love around and back around it goes (2x) Give the love around and back around it goes (around it goes) Give the love around and back around it goes (around it goes)

Love to your friends (around it goes) To your folks (around it goes) Give the love around, back around it goes See the thing about Karma is she loves a bit of drama, yeah Loves to hunt you down and pay ya back for the things you did Before you turn a positive to a negative Better pray before you know exactly who the fuck you're dealing with This is not a dance rehearsal, let me tell you kid Whatever you put out there is coming back again Years may burn (ohh) Tables gonna turn Karma's coming back around Either way you're gonna learn To give love to your neighbour, love to yourself It don't matter 'bout your status Man your health is your wealth We can all point a finger but there's four pointing back at yourself I'll be the bigger man now Give a little help

Yeah, give the love to your brother,
Give the love to your sister,
Give the love to your misses,
Love to your mister
Give the love to your friends,
Love to your foes,
Give the love around and back around it goes (2x)

Give the love around back around it goes Around it goes (2x) Give the love around back around it goes Around it goes (4x) Give the love around back around it goes
