

# Hall of Fame

## The Script

You could be the greatest, you can be the best  
You can be the king kong banging on your chest  
You could beat the world, you could beat the war  
You could talk to God, go banging on his door

You can throw your hands up, you can beat the clock  
You can move a mountain, you can break rocks  
You can be a master, don't wait for luck  
Dedicate yourself and you go find yourself

Standing in the hall of fame  
And the world's gonna know your name  
Cause you burn with the brightest flame  
And the world's gonna know your name  
And you'll be on the wall to the hall of fame

You could go the distance, you could run the mile  
You could walk straight through hell with a smile  
You could be the hero, you could get the gold  
Breaking all the records they thought never could be broke

Do it for your people, do it for your pride  
Never gonna know if you never even try  
Do it for your country, do it for you name  
Cause there gonna be a day

When you're standing in the hall of fame  
And the world's gonna know your name  
Cause you burn with the brightest flame  
And the world's gonna know your name  
And you'll be on the wall to the hall of fame

Be a champion  
Be a champion  
Be a champion  
Be a champion

Because you belong to the hall of fame

Be students, be teachers  
Be politicians, be preachers  
Be believers, be leaders  
Be astronauts, be champions  
Be true seekers

Be students, be teachers  
Be politicians, be preachers  
Be believers, be leaders  
Be astronauts, be champions

Standing in the hall of fame  
And the world's gonna know your name  
Cause you burn with the brightest flame  
And the world's gonna know your name  
And you'll be on the wall to the hall of fame

You could be the greatest, you can be the best

You can be the king kong banging on your chest  
You could beat the world, you could beat the war  
You could talk to God, go banging on his door

You can throw your hands up, you can beat clock  
You can move a mountain, you can break rocks  
You can be a master, don't wait for luck  
Better get yourself and you go by yourself
