

# If You Don't Love Yourself

## The Script

Look at me, I'm my own worst enemy  
Beat myself up now, every chance I see  
Nice to everyone, when it comes to me  
Cut myself up with brutal honesty

How can you love if you don't love yourself?  
If you don't love yourself  
You can love no one else  
How can you love if you don't love yourself?  
If you don't love yourself  
You can love no one else, no

If you don't love yourself  
You can love no one else, no  
If you don't love yourself  
You can love no one else, no

Look at you, you're just as messed up as me  
Only difference is I speak honestly  
Nice to everyone, when it comes to me  
It's like you hate yourself, don't see what I see

How can you love if you don't love yourself? (Don't love yourself)  
If you don't love yourself (Don't love yourself)  
You can love no one else  
How can you love if you don't love yourself? (Don't love yourself)  
If you don't love yourself (Don't love yourself)  
You can love no one else, no

If you don't love yourself  
You can love no one else, no  
If you don't love yourself  
You can love no one else, no

Every twist and turn that our life takes  
Like a boat in the sea when the wave breaks  
Every night is the dawn of a new day  
You don't lose if you learn from your mistakes  
Every twist and turn that our life takes  
Like a boat in the sea when the wave breaks  
Every night is the dawn of a new day  
You don't lose if you learn from your mistakes

Oh, if you don't love yourself, no  
You can love no one else (Did you know?)  
No, if you don't love yourself  
You can love no one else, no  
How can you love if you don't love yourself?
