

Hearts in Her Eyes

The Searchers

Some girls have a whole lot of trouble finding one boy.
Others want a lover, some they just want a fun boy.
My girl, she's smart. She's never ever going to give
her heart.
And she's wild.

She's got hearts in her eyes.
She's got hearts in her eyes.
Like a kid in a toy shop, she can't stop.
She wants all the boys.
She's got hearts in her eyes.

Some girls want a boy to give her all the action.
Others in a hurry to find a little satisfaction.
This girl, she's tough.
She keeps going when the going gets rough.
And she's wild.

When she's at a party she will flit from boy to boy.
But she'll never settle, her heart is filled with joy.

My girl, she's smart. She's never ever going to give
her heart
And she's wild.
