

No One Else Could Love Me

The Searchers

No one else could tell me things I wannnt to hearrr
I wouldn't want to know that they'd be cominggg
I hope you know that every time you hold me nearrr
No one else could love me, but youuu

No one else could make me feel my life's worthwhile
And feel I hold each star that shines a bove meee
You'll only have to turn to me and smiiile
No one else could love me, but youuu

And all I want to do is hold you, hold you
In my dreams each night that's what I told you, told you

No one else could make me feel my life's to sharrre
And only have to say what are loves to me
And you don't have to tell me that you caaarrrre
No one else could love me, but youuu

And all I want to do is hold you, hold you
In my dreams each night that's what I told you, told you

No one else could make me feel my life's to sharrre
And only have to say what are loves to me
And you don't have to tell me that you caaarrrre
No one else could love me, but youuu
No no no no

No one else could love me, but youuu
