

# Unhappy Girls

The Searchers

Well I'm a-packin' my suitcase  
Leavin' this city  
Gonna find me a girl  
And among many

Well the many I know  
Out in this big world  
Yeah how many they call  
The unhappy girls

The unhappy girls (unhappy girls)  
Now don't you cry (now don't you cry)  
You know I'm gonna be there  
By and by

Just a lonely boy  
Yeah a lookin' for  
The unhappy girls  
The unhappy girls  
The unhappy girls  
You know I'll maybe cry

Take a lot of my dreams  
Take a lot of my love  
I've been savin' it up  
For the change you know

Well I been takin' no sin  
I'm a-takin' no choice  
Put on a happy girls  
To lead a lonesome boy

The unhappy girls (unhappy girls)  
Now don't you cry (now don't you cry)  
You know I'm gonna be there  
By and by

Just a lonely boy  
Yeah a lookin' for  
The unhappy girls (don't need me now)  
The unhappy girls (make the lonely cry)  
The unhappy girls  
You know I'll maybe cry

Take a lot of my dreams  
Take a lot of my love  
I've been savin' it up  
For the change you know

Well I been takin' no sin  
I'm a-takin' no choice  
Put on a happy girls  
To lead a lonesome boy  
To lead a lonesome boy
