

# Gypsy Rover

The Seekers

Whistling Gypsy came over the hill  
Down thru the valley so shady  
He whistled and he sang  
Till the greenwood rang  
And he won the heart of a lady

A dee do a dee do die day  
A dee do a dee day-o  
He whistled and he sang  
Till the greenwood rang  
And he won the heart of a lady

She left her father's castle gate  
She left her fair young lover  
She left her servants  
And her estate  
To follow the gypsy rover

A dee do a dee do die day  
A dee do a dee day-o  
She left her servants  
And her estate  
To follow the gypsy rover

She left behind her velvet gown  
And shoes of Spanish leather  
They whistled and they sang  
Till the greenwood rang  
As they rode off together

A dee do a dee do die day  
A dee do a dee day-o  
They whistled and they sang  
Till the greenwood rang  
As they rode off together

Last night she slept on a goose feather bed  
With silken sheets for cover  
Tonight she sleeps  
On the cold cold ground  
Beside her gypsy lover

A dee do a dee do die day  
A dee do a dee day-o  
Tonight she sleeps  
On the cold cold ground  
Beside her gypsy lover

Her father saddled up his fastest steed  
And roamed the valleys all over  
Sought his daughter  
At great speed  
And the whistling gypsy rover

A dee do a dee do die day  
A dee do a dee day-o  
Sought his daughter

At great speed  
And the whistling gypsy rover

He came at last to a mansion fine  
Down by the river Claydee  
And there was music  
And there was wine  
For the gypsy and his lady

A dee do a dee do die day  
A dee do a dee day-o  
And there was music  
And there was wine  
For the gypsy and his lady

"He is no gypsy my father" she said  
"But lord of these lands all over  
And I shall stay  
'til my dying day  
With my whistling gypsy rover"

A dee do a dee do die day  
A dee do a dee day-o  
And I shall stay  
'til my dying day  
With my whistling gypsy rover"
