

It's Hard to Leave

The Seekers

It's hard to leave you all behind
Those loving smiles so sweet and kind
I love you all, you're part of me
With you I leave the heart of me
It's hard to go, but now's the time
With loving arms I intertwine
There will be times I miss you so
It's hard to leave, but I must go

I won't look back along the way
It only makes me want to stay
With every step I'm sure I'll find
A different loved one on my mind
Without my friends here by my side
My destiny will be my guide
There will be times I miss you so
It's hard to leave, but I must go

It's hard to leave the ones you love
Though other stars may shine above
But I can hope within my song
That after all it won't be long
But it is now I feel the pain
I may not see you all again
There will be times I miss you so
It's hard to leave but I must go
It's hard to leave but I must go
