

Speak to the Sky

The Seekers

Speak to the sky whenever things go wrong
And you'll know you're not talking to the air, to the air
And the world will look better from up there

Speak to the sky 'cause things can get you down
And you'll know when you're talking to the Lord, to the Lord
The world will look better then before

And if I stumble and it seems that I am blind
Or if the road I'm on seems awful hard to find
And though my conversation doesn't always rhyme
I always try to find some time

To speak to the sky and tell you how I feel
And you know sometimes what I say ain't right, it's all right (it's alright)
'Cause I speak to the sky every night

And if I stumble and it seems that I am blind
Or if the road I'm on seems awful hard to find
And though my conversation doesn't always rhyme
I always try to find some time

To speak to the sky and tell you how I feel
And you know sometimes what I say ain't right, it's all right (it's alright)
'Cause I speak to the sky every night

Yeah, speak to the sky whenever things go wrong
And you'll know you're not talking to the air, to the air
And the world will look better from up there
And the world will look better from up there
And the world will look better from up there

Speak to the sky whenever things go wrong
Speak to the sky whenever things go wrong
Yeah, speak to the sky whenever things go wrong
Speak to the sky whenever things go wrong
