

Dance To Your Daddy

The Sensational Alex Harvey Band

In the secret temples where the wisdom pillars rose
Some only dance the seven veils in days of long ago
Oh, how she shut our harem down and raised her body high
She'll always want to be a ballerina in the sky

Do ya wanna, do ya wanna dance to your daddy?
Do ya wanna dance? Do ya wanna dance?
Dance, dance, dance to your daddy

Miss Minuet was lonely and Pavlova feeling blue
She had to keep on dancing, that's the only thing to do
Oh, how she showed them when she know she never gonna cry
She'll always want to be a ballerina in the sky

Do ya wanna, do ya wanna dance to your daddy?
Do ya wanna dance? Do ya wanna dance?
Dance, dance, dance to your daddy

She wanna be a ballerina
She wanna be a ballerina
You can sugar sweet her, you can shape that frame
You can dance to Heaven in the centre of the brain
And since you started, baby, you can never say goodbye
You'll always want to be a ballerina in the sky
Always want to be a ballerina in the sky

Dance, dance, dance to your daddy
Do ya wanna dance? Do ya wanna dance?
Dance, dance, dance to your daddy
Do ya wanna dance? Do ya wanna dance?
Dance, dance, dance to your daddy
Do ya wanna dance? Do ya wanna dance?
Dance, dance, dance to your daddy
Do ya wanna dance? Do ya wanna dance?
Dance, dance, dance to your daddy
Do ya wanna dance? Do ya wanna dance?
Dance, dance, dance to your daddy
Do ya wanna dance? Do ya wanna dance?
