

I Just Want To Make Love To You

The Sensational Alex Harvey Band

I don't want you to be no slave
I don't want you to stay home always
I don't want you to be true
I just want to make love to you

I don't want you to cook my bread
I don't want you to make my bed
I don't want you to be sad and blue
I just want to make love to you

'Cause I can tell by the way you twitch and walk
Can tell by the way you baby talk
I know by the way that you hold my hand
That I can love you, baby, like nobody can

And I don't want you to cook my bread
I don't want you to make my bed
I don't want you to be sad and blue
'Cause I just want to make love to you

'Cause I can tell by the way you twitch and walk
By the way that you baby talk
By the way that you hold my hand
That I can love you, baby, like nobody can

And I don't want you to be no slave
I don't want you to stay home always
I don't want you to be true
I just want to make love to you

And nobody else, nobody else, nobody else
'Cause I just, I just want to make love to you
And nobody else, nobody else
'Cause I just want to make love to you
And nobody else, nobody else, nobody else
'Cause I, I just want to make love to you
And nobody else
'Cause I want to do just enough to you to make you
All I want to do is just make love to you
And nobody else, nobody else, nobody else
'Cause I just want to make love to you, baby
And nobody else, nobody else
'Cause all I really want to do is just to, I just want to make love to
o you
'Cause I, I just want to make love to you right now, right here
'Cause I just want to make love to you
And nobody else, nobody else
