

Mrs. Blackhouse

The Sensational Alex Harvey Band

Dear Mrs. Blackhouse may God curse you on the ground
You take the blessed crucifix and turn it upside down
You drink the blood of Jesus so gentle, mild and meek
And even He will find it hard to turn the other cheek

Can you hear us Mrs. Blackhouse? Do you listen?
Are you gonna put a ban on people kissing?
Now we're gonna make a stand. We want freedom in the land
Can you hear us Mrs. Blackhouse? Can you hear?

Where were you two thousand years ago?
When the babe in swaddling clothes was in the snow?
And what know ye of customs, Mrs. Blackhouse, in the East?
And what did happen Judas just before the final feast

Can you hear us Mrs. Blackhouse? Do you listen?
Are you gonna put a ban on people kissing?
Now we're gonna make a stand. We want freedom in the land
Can you hear us Mrs. Blackhouse? Can you hear?

So dear Mrs. Blackhouse, Mrs. Christian without soul
Were you there when the deeds were done and the sacrament was w
hole?
Who protected Mary Magdalene and raised the dead and bones?
And remember he who has no sin can cast the firstest stone

Can you hear us Mrs. Blackhouse? Do you listen?
Are you gonna put a ban on people kissing?
Now we're gonna make a stand. We want freedom in the land
Can you hear us Mrs. Blackhouse? Can you hear?

Can you hear us Mrs. Blackhouse? Do you listen?
Are you gonna put a ban on people kissing?
Now we're gonna make a stand. We want freedom in the land
Can you hear us Mrs. Blackhouse? Can you hear?

Can you hear us Mrs. Blackhouse? Can you hear?
Can you hear us Mrs. Blackhouse? Can you hear?
Can you hear us Mrs. Blackhouse? Can you hear?
