

Nightmare City

The Sensational Alex Harvey Band

Nightmare city
I'm gonna sing your song
Nightmare city
Go where you belong
With my sewer rat sister
Eating my daddy's leg
Sewer rat sister
Eating my daddy's leg
In nightmare city
In nightmare city
She's a green eyed reptile
Persuasive as a pig
Looking at ma fire
Sure has a real fine gig

In nightmare city
In nightmare city
In nightmare city
Eating my daddy's leg
In nightmare city

I wish it was the way it used to be
Open shirt on a long hot summer night
When the grass was green
And your dress was tight

Then the fan got busted
And now the end would blow
Bone picking jelly fish
Walking on the streets below

Then the fan got busted
And now the end gonna blow

In nightmare city
They're eating my daddy's leg
In nightmare city
Eating my daddy's leg
In nightmare city
In nightmare city

In nightmare city
They're eating my daddy's leg
In nightmare city
Eating my daddy's leg

With my sewer rat sister
She don't sit up and beg
