

## We Have A Savior

The Shaggs

Why does the world go unholy?  
Why does everyone fight more and more?  
Don't they know we have a savior?  
All we have to do is believe and pray

Why must we go unheathen?  
Why does anyone have to run?  
Don't they know we have a savior?  
Just look up toward the sky

I often sit and wonder  
Why people do the things they do  
And I can't understand, no I can't understand  
Why they don't have faith in the Lord, like I do

Why do the people go on sinning?  
Why do they feel sad and blue?  
Don't they know we have a savior  
Just watching over me and you?

I often sit and wonder  
Why people do the things they do  
And I can't understand, no I can't understand  
Why they don't have faith in the Lord, like I do

Why do the people go on sinning?  
Why do they feel sad and blue?  
Don't they know we have a savior  
Just watching over me and you?

Don't they know we have a savior?  
All we have to do is believe and pray
