

# You're Somethin' Special To Me

The Shaggs

You're something special to me (Two, three, four)  
Though others think you're not so grand  
I still say you're quite the man

Oh, you're something special to me (Two, three, four)  
When I hear your voice, I know  
You're the one that makes me go  
"You're something special to me" (Two, three, four)

When I see your face, it shows  
There's no place I'd rather go  
Than to be with you, so  
You're something special to me (Two, three, four)

When you smile at me, my day is cleaned  
You make me see how happy I can be  
You're something special to me (Two, three, four)  
(Hut, two, three, four)

Please don't speak unkind words to me  
That would make me unhappy  
You're something special to me (Two, three, four)  
(Hut, two, three, four)

How I want to tell you what you mean to me  
I think you're the greatest guy I've ever seen  
You're something special to me (Two, three, four)  
You're something special to me (Two, three, four)  
Oh, you're something special to me (Hut, two, three, four)
