

What's A Girl Supposed To Do

The Shangri-Las

He walked me to my door,
Said he's glad he found me.
I'm all he waited for,
Put his arms around me.

((And the stars were bright in the sky.))
((And he looked down deep in my eyes.))

What's a girl supposed to do?
(What's a girl supposed to do?)
(But kiss him?)
So I kissed him.

We just met that night,
I felt I always knew him.
So I knew it was right,
To give my kisses to him.

((Then he said he wanted me so,))
((And my heart said, "Don't let him go."))

What's a girl supposed to do?
(What's a girl supposed to do?)
(But hold him?)
So I held him.
Wo-oh oh-oh, yeah.

((Oh, he said he loved me and then,))
((I just had to kiss him again.))

What's a girl supposed to do?
(What's a girl supposed to do?)
(But love him?)
And I love him.

(And kiss him.) And kiss him.
(And hold him.) And hold him.
(And Love him.) Love him.
(And love him.) Love him.
(And love him.)

Did you kiss him? (Oh, yeah.)

Did you hold him? (Oh, yeah, yeah, yeah, yeah.)
Did you love him? (Oh...)
