

# Better Alone

The Sherlocks

You were gracefully  
Looking out to sea  
Watching the sun go down with me  
On a beach  
Without a care in the world  
So tell me how long is forever

Let's come together  
We're no better alone  
You're the only thing in your life  
You truly own  
Let's run together  
Anywhere is our home  
I wanna see as much as I can  
Before I go

It was plain to see  
You were all I needed  
Where on earth would I be  
If not for you  
Out of reach  
In all of the space in between  
Secretly longing to be seen  
But only by you

Let's come together  
We're no better alone  
You're the only thing in your life  
You truly own  
Let's run together  
Anywhere is our home  
I wanna see as much as I can  
Before I go

You're all I'll ever need  
You're all I'll ever need  
You're all I'll ever need

Let's come together  
We're no better alone  
(You're all I'll ever need)  
You're the only thing in your life  
You truly own  
(You're all I'll ever need)  
Let's run together  
Anywhere is our home  
(You're all I'll ever need)  
I wanna see as much as I can  
Before I go

You were gracefully  
Looking out to sea  
Watching the sun go down with me
