One Day

The Sherlocks

There's no one I know like you
You make the good times better
All of the time
From the minute that you come

To the second that you go
Just so long as you know

We'll take it one day at the time
One day at the time
I don't see why we can't be
We'll take it one day at the time

You stole my parade with your rain
All it takes is a moment
They come and they go like the snow
On fallen ground I'll wait

Till the second that you run
Till the summer has begun

We'll take it one day at the time
One day at the time
I don't see why we can't be
We'll take it one day at the time

One day at the time is all I need
In my mind and in my dreams
Would you slow down
And would you wait for me?

We'll take it one day at the time
One day at the time
I don't see why we can't be
We'll take it one day at the time

One day, one day
One day, one day
