

Waiting

The Sherlocks

Waiting
Everybody's waiting for something
Usually don't know why
You're at the back of the queue and no one's moving forward
But I don't mind
I don't mind

Oh, here we go again
We fall apart over almost anything
Oh, here we go again
Back at the start, will I ever see the end?
When the stars fall down, would you still be waiting?

Everybody's waiting for someone
Usually don't know why
You're in the same old place but nothing seems to be changing
Yeah, no one's moving
Still, I don't mind

Oh, here we go again
We fall apart over almost anything
Oh, here we go again
Back at the start, will I ever see the end?
When the stars fall down, would you still be-

Oh, here we go again
We fall apart over almost anything
Oh, here we go again
Back at the start, will I ever see the end?
When the stars fall down, no, no
When the stars fall down, would you still be waiting?
