

For a Fool

The Shins

Young and bright
But now just a dim light
Off in the distance
A falling stone
Following the path
Of least resistance

If I still fight, it's just that I'm
Afraid I'll slide under that spell again

Taken for a fool
Yes, I was because I was a fool
Tell me what you do
I lost my way in shades of neither school

So many times
Caught up in my head at night
With a leash and a label
If I can learn
Anything from this, then I'd be like
The fox in the fable of

If I still fight, it's just that I'm
Afraid I'll slide under that spell again

The way we used to carry on
Is stuck in my head like a terrible song

Taken for a fool
Yes I was, and I was a fool
Following their rules
Guess I was a very honest tool

Taken for a fool
Yes I was, because I was a fool
