

# Brave

The Shires

Lie down just forget the world  
And your worries  
Calm down, don't be so absurd  
I'm sorry  
It's not the first time, I've seen you cry  
You don't have to be so brave  
Tonight

Let go, let yourself be free  
Talk to me  
Tell me what's wrong now  
It's not the first time, I've seen you cry  
You don't have to be so brave  
Tonight

Well, let me hold your heart, let me be the one  
You'll never have to feel so alone  
Let me bring you back to the world, back home  
Let me mend your broken soul

Calm down, just calm down  
It's not the first time, I've seen you cry  
You don't have to be so brave  
Tonight

Well, let me hold your heart, let me be the one  
You'll never have to feel so alone  
Let me bring you back to the world, back home  
Let me mend your broken soul
