

Not Even Drunk Right Now

The Shires

Woah-oah-oh-oh
You're my Tennessee twist
One shot whenever we kiss
Woah-oah-oh-oh
No way that I'm driving home alone

You're my strong old-fashioned
One sip and anything could happen
Woah-oah-oh-oh
Who know-oh-oh-ohs

I'm not drunk but
Just stayin' on my feet is hard as hell
I'm spinning like I've been on a carousel
Round and round, upside down
And I'm not even drunk right now
I'm dancing like I've had the whole bottle dry
I'm walking on Tequila sunshine
Round and round, upside down
I'm not even drunk right now
It's all you-ooh-ooh
It's all you-ooh-ooh
It's all you, you
I'm not even drunk right now

I'm pouring out my heart
It was you right from the start
I love everything you are
I know I'm talking a lot of blah blah blah

Well I'm not drunk, I swear I'm not but
Just stayin' on my feet is hard as hell
I'm spinning like I've been on a carousel
Round and round, upside down
And I'm not even drunk right now
I'm dancing like I've had the whole bottle dry
I'm walking on Tequila sunshine
Round and round, upside down
And I'm not even drunk right now
It's all you-ooh-ooh
It's all you-ooh-ooh
It's all you, you
I'm not even drunk right now
It's all you-ooh-ooh

And I don't need a shot of Jack, a Johnny Black, umbrella and a Malibu
'Cause I've got you-ooh-ooh
And nothing's stronger than your love

I'm not drunk but
Just stayin' on my feet it's hard as hell
I'm spinning like I've been on a carousel
Round and round, upside down
And I'm not even drunk right now
I'm dancing like I've had the whole bottle dry
I'm walking on Tequila sunshine
Round and round, upside down

And I'm not even drunk right now
It's all you-ooh-ooh (it's all you)
It's all you-ooh-ooh (yeah)
It's all you, you
I'm not even drunk right now

It's all you-ooh-ooh
It's all you-ooh-ooh
It's all you, you
And I'm not even drunk right now
