

# On The Day I Die

The Shires

On the day I die  
You better dance, don't cry  
Baby, I'll be leaving on a high  
On the day I die  
Find the keys to my old car  
Pray it starts and take it for a drive

Roll the windows down  
Turn the music up  
Start singing (Whoa, whoa)  
And get lost in a song  
And take the wrong road home  
Like I always used to

If I did one thing right  
It was you and I  
Oh, I loved you  
I'll always love you  
So play it loud all night  
If I'm not by your side  
I'm up above you  
I'll always love you

I've had a good, good life  
So, darling, dance, don't cry  
On the day I die

On the day I die  
I want nothing left unspoken  
I can't rely on hoping that you know  
So dry your eyes  
'Cause I don't plan on dying yet  
Just take my hand  
How I lucky I am  
The only life I get

I get to hold you close  
With the lights down low  
And dance real slow (Whoa, whoa)  
When you hear this song  
And when I'm gone  
I know that you'll know

If I did one thing right  
It was you and I  
Oh, I loved you  
I'll always love you  
So play it loud all night  
If I'm not by your side  
I'm up above you  
I'll always love you

I've had a good, good life  
So, darling, dance, don't cry  
On the day I die  
On the day I die (Whoa, whoa)  
(Whoa, whoa)

On the day, on the day I die, oh (Whoa, whoa)  
(Whoa, whoa)

On the day I die  
You better dance, don't cry  
Oh baby, I'll be leaving on a high  
On the day I die
