

Sleepwalk

The Shires

I, I'm gonna love you 'til I die
Until the stars fall from the sky
Girl, it's a fact
Girl, it's a fact, it's as simple as that
When I, I see you broken by the day
I wanna dance those troubles away
And girl, yeah tonight
Girl, I know it's late but I've got a plan

And darling, sleepwalk with me
I'll leave the radio on up high
And we'll dance in our dreams tonight

I, I'm gonna love you all the way
Through the dust and through the rain
Boy, it's a fact
Boy, it's a fact, I'm telling you that
Come home, and you can fall right into me
Oh, I swear I'm gonna break you free
Boy, yeah tonight
I know it's late but I'm taking you out

And darling, sleepwalk with me
You only got to close your eyes
And I'll meet you in my dreams tonight
And darling, sleepwalk with me
I'll leave the radio on up high
And we'll dance in our dreams
Come on, take a chance on me

'Cause I'm gonna love you until I die, until I die
Yeah I'm gonna love you until the stars fall from the sky
So let's shout it out in the darkness
Two hearts that won't be denied
Tonight, I'm gonna dance with you
Tonight, I wanna dance with you
Tonight, in our dreams everything will be alright
Tonight, I'm gonna dance with you (I, I'm gonna love you 'til I die)
Tonight, I wanna dance with you (Until the stars fall from the sky)
Tonight, in our dreams everything will be alright

Darling, sleepwalk with me
I'll leave the radio on up high
And we'll dance in our dreams
Come on, take a chance on me
Darling, sleepwalk with me tonight
