

Avalanche

The Silent Comedy

Mother Mary vacant stare
I love you, but I don't care
If you leave now I'll meet you there, you'll see
You climb onto that broken branch
Hide under an avalanche
Let's hope that no one's second glances see

Help, help is on the way
Help is on the way
But not today

If you want to blame anyone
If you want to hate anyone
I would hope you'd start it right here with me
You're gonna have to fight with me

Holy father pay the rent
Cause all my money's long been spent
Knowing you'd evict eventually
Save me from that broken branch
Kill me with an avalanche
Don't you know that no one's second chance is free

Help, help is on the way
Help is on the way
But not today

If you want to blame anyone
If you want to hate anyone
I would hope you'd start it right here with me
If you want to burn anyone
If you want to hurt anyone
You should know you're gonna have to fight with me
You're gonna have to fight

Help, help is on the way
Help is on the way
If you wanna blame anyone
If you wanna hate anyone
If you wanna burn anyone
If you wanna hurt anyone
If you wanna blame anyone
If you wanna hate anyone
If you wanna burn anyone
If you wanna hurt anyone
