

Judgement Day

The Silent Comedy

Hey there darling, I heard your name over the air
I tried every way I could reach you
But you were never there
You've been playing with a cheated deck of cards
Dealing your way to a place up among the stars
You're not getting very far

Yeah, yeah, it only gets easier to be afraid
Yeah, yeah, don't have time to play at being brave
Yeah, cause the morning brings judgment day

Hey there darling, I went back to your hometown
Remember that hero of yours
You would follow him around
He's been selling cars
He's been shooting in the dark
Bragging to all of the drunks that he's a friend of yours
But he's no friend of yours

Yeah, yeah, it only gets easier to be afraid
Yeah, yeah, don't be surprised when you feel this way
Yeah, yeah, you don't have time to play at being brave
Yeah, cause the morning brings judgment day

Ooh, do you want to ask me a question and
Ooh, do you want to ask for permission and
Ooh, do you want, do you want me to wait

Yeah, yeah, it's so easy to be afraid
Yeah, yeah, don't be surprised when you feel this way
Yeah, yeah, you don't have time to play at being brave
Yeah, yeah, it only gets easier to be afraid
Yeah, yeah, don't be surprised when you feel this way
Yeah, yeah, you don't have time to play at being brave
Yeah, cause the morning brings judgment day
