

Sisters Are Doin' It for Themselves

The Simpsons

Some say, this is great!
Now there was a time when we used to say
That behind every great man
There had to be a great woman
Well, times change
You know it's no longer true
We're coming out of the kitchen
'Cause there's something we forgot to say to you
Sisters are doing it for themselves, oh yeah
Standing on their own two feet
Ringing on their own bells
Sisters are doing it for themselves
Now this is a song to celebrate
The conscious liberation of the female state
Mother and her daughters and all their daughters too
Woman to woman we'll sing it all with you
Sisters are doing it for themselves
Standing on their own two feet
Ringing on their own bells
Sisters are doing it for themselves
No, we ain't makin' stories
No, we ain't layin' plans
A man still loves a woman
And a woman still loves a man, yeah
It's incredible female power
Sisters are doing it for themselves
The inferior sex has got a new exterior
We've got doctors and lawyers and politicians too
And everybody can take a look around
Can you see, can you see, can you see?
There's a woman sitting right next to you
Sisters are doing it for themselves
Standing on their own two feet
And ringing on their own bells
Everybody else do what I'm saying
Sisters are doing it for themselves
They're standing on their own two feet
And ringing on their own bells
Sisters are doing it, doing it
Doing it, doing it, doing it
Sisters are doing it for themselves
Sisters are doing it for themselves
Sisters are doing it for themselves
