

Scared to Dance

The Skids

Your face in the corner
Like some statue of gold
I want you to walk home
I want you to hold

But I'm scared to dance
Said I'm scared to dance
Well I'm scared to dance

I've seen you before girl
And I've held your wrist
But I can't jive girl
No I cannot twist

But I'm scared to dance
Said I'm scared to dance
Well I'm scared to dance

So now I walk behind you
And you don't hear
Until I'm right beside you
Until you bleed (Ha! Ha! Ha!)

But I'm scared to dance
Said I'm scared to dance
Well I'm scared to dance
