

Armageddon

The Skints

These things that you own
All your silver and gold
Cannot buy you a hope
In these judgement days
These things that you know
Well they just might be false
But the truth will unfold
In these judgement days
In these judgement days
In these judgement days

Judgement

Would you swim or drown when it come then?
When the king come down fi go judge men?
When The Skints drums sound and the trumpets (loud)
Income income coming
Would you count on Him when you counting
Would you bank or swim to the mountains
Would save yourself or the hundreds? (pounds)
Hope you (don't)
Love the money (more)
Than you love your (soul)
What you (owe) to a couple (golds)
