

# Lay You Down

The Skints

I ain't gonna beg it ring your phone all the time  
Cos the "begger bredda" I can tell ain't your type  
Paid for a couple cab fare  
I bought her couple wine  
But if she thinks that imma spend hard she got the wrong guy  
Cause money never grew on my family tree  
I just want you girl, not a family, jeez!  
I went in with the charge, should I plan the retreat?  
I went in with the charge, should I plan the retreat?  
Trust me it's you I want  
Of that much I am sure  
Cos you ain't like them other ones...  
So can I lay you down girl?  
Lay you down  
Can I lay you down girl?  
Lay you down  
Can I lay you down girl?  
Lay you down  
On my bed  
On my bed girl  
Upon my bed  
Tell you in my time felt some punch to the boat  
Tell you in my time felt the knife to my throat  
But I feel the pain in my brain up the most  
She wake up in my bed but she won't stay for tea & toast  
Cause money never grew on my family tree  
I just want you girl, not a family, jeez!  
I went in with the charge, should I plan the retreat?  
I went in with the charge, should I plan the retreat?  
Trust me it's you I want  
Of that much I am sure  
Cos you ain't like them other ones...  
So can I lay you down girl?  
Lay you down  
Can I lay you down girl?  
Lay you down  
Can I lay you down girl?  
Lay you down  
On my bed  
On my bed girl  
Upon my bed  
Trust me it's you I want  
Of that much I am sure  
Cos y  
Trust me it's you I want  
Of that much I am sure  
Cos you ain't like them other ones...
