Rude boy put away your gun and shank
You know you're just an angry yout not a man yeh
Put away your gun and shank
Rube boy yehnanana
Officer put away your taser and gun
You know you'll make a yout man act a wrong yeh
Put away your taser and gun

See me I don't think I'm a bad man
See me and I'm attracting police
And round here we don't see no justice
Round here we don't see no peace
And some of them sell drugs in the west-end
And they buy shots in the east
And now some of their mothers are crying
'Cause some of their sons deceased

Bunnin' the trees
Spite is a bucket if only for nothing but beef
And every day we wake up wickedness a increase
Cops and a robbers, poaching the shotters
Ticking their sticky in the streets
It is a strictly love and unity we need

Rude boy put away your gun and shank
You know you're just an angry yout not a man yeh
Put away your gun and shank
Rube boy yehnanana
Officer put away your taser and gun
You know you'll make a yout man act a wrong yeh
Put away your taser and gun
Officer

In a ivy, highly, everybody blind
Me na no o don't stop no crime
Stopped man in the shop man one time
Could have been a prison or it could have been a fine
Did a bad man when he goes to sleep
But when them in jail them quiet like sheep
And the family a weep and they just can't sleep
And a man a man a man a see a ride as deep
Every day another one bite the dust
'Cause they don't give a damn about us
With a bit of rhythm with a fight I'll prosper
When I walk in the street and I ride my bus
I just want to be trance free
And live in a peace and harmony
Sound of The Skints, and tippa irie
With a ganja's vibe in a reality

The Skints we a move with the righteous
And we know if you gonna feel no like us
And we no really care if you a fight us
Because we want peace and unity
In a big community
The Skints we a move with the righteous

And we know if you gonna feel no like us
And we no really care if you a fight us
Because we want peace and unity
In a big community

Rude boy put away your gun and shank
You know you're just an angry yout not a man yeh
Put away your gun and shank
Rube boy yehnanana
Officer put away your taser and gun
