Jah get by with just I and I and I  
Jah get by, me just chasing the clouds in the sky  
Don't ask me why

Ah nah no Jah no need nobody, there nobody good for me  
Ah nah no Jah no need nobody, there nobody good for me

Jah get by with just I and I and I  
Jah get by, me just chasing the clouds in the sky  
Don't ask me why

Ah nah no Jah no need nobody, there nobody good for me  
Ah nah no Jah no need nobody, there nobody good for me

We live for our own  
We build for our own  
We breathe for our own  
Yah better believe yah better believe in yah own
