

## Cawl Me Crazy

The Slackers

Well I don't need  
No possessions  
Who can tell me  
Who I am?  
And I don't need  
No permission  
Who can tell me  
Where I stand?

Because I'm hungry  
Lord so hungry  
But I won't seem to eat  
But there is no food  
Those who don't believe me  
Don't let them leave me  
They call me crazy  
They call me rude

See I don't need  
No religion  
Oh, to tell me  
What's right and wrong  
And I'm not waiting  
No decision  
Because I've been waiting, waiting, waiting  
For too long

I said I'm hungry  
Lord so hungry  
But I won't seem to eat  
Where there is no food  
Those who don't believe me  
Don't let them leave me  
They call me crazy  
They call me rude

They call me crazy  
They call me rude

They call me crazy  
They call me rude

You know the clock says it's time to go...  
Now...
