Be Well, my friend, Manuel (you're good, you're good)
As far as I can tell

She's tough talk too hot

On time to the dot
Make noise quite a lot
But she's all we got

Manuel (you're screwed as far as I can tell)
(You're good, you're good)

Manuel, my friend, Manuel
Manuel, my friend, Manuel
Be Well, my friend, Manuel (you're good, you're good)
As far as I can tell
