We're another, yet another  
Just another trapped animal

A perverse animal, only animal  
It's the human (dirty)  
A savage animal, it's this animal  
Is the human savage  
The dirty animal, it's this animal  
The human dirty  
The most trapped animal  
It's the human, the human too

Some of us are lost and lonely trapped but good  
Some of us are lost and lonely trapped but well  
Whatever, some do what know they should  
While others go slowly but surely mad

If the cage of their mind or bad company  
If the cage of the rich or those in poverty  
If the cage of time spends misery [?]  
Either way it's a cage of age and rage to me

Went ahead of our own plans  
Went ahead of our own good  
Went ahead before we wore  
Did things before we understood

Unfair nature is human nature  
Caused by humans unfair  
Brutal nature is human nature, the most cruel  
The most ... [?] nature come from me and you  
We are locked in our nature we can't face the truth
